Hello,  
The recent addition of another PT survey, precipitated the need to revise the 2007 PT shipping schedule and Contact List.

Both revised lists are attached and dated as "REVISED 6/18/07".

Please do not discard your old list if it has dates documented. Transcribing dates from one form to this most recent form may lead to errors. I would recommend that the older list and the revised list be stapled together and that future tracking for 2007 continue on this latest form.

Please post and/or distribute as appropriate in your work area.

If you have any questions, please call me or send me an email.

Thanks,  
Peggy DiNatale
